Dear Sir:

Applicant petitions for acceptance of a Declaration executed by only one of the three
inventors of the invention described and claimed in the above-identified application.

The following facts are provided in support of this Petition.

An Assignment of this application to GAIM Limited was recorded on March 9, 2005 in
reel/frame 016631/0108 (5 pages).

The present application is based upon a PCT application entitled Flow Homogeniser,
Serial No. PCT/GB03/0319 having an international filing date of 9 September 2003. The PCT
application claims priority to a British application assigned Serial No. 0220814.8 filed 9
September 2002. The named inventors in the British application, the PCT application and the

present application are: DRS. ABDELWAHAB AROUSSI, FAYCAL BAHRI and MOHAMED MENACER.

The three inventors executed an Assignment of the British application (Serial No. 0220814.8) on 24 July 2003 assigning all rights therein and in any patent applications filed anywhere in the world with respect to any invention claimed in the British application and the right to obtain priority therefrom. (Exhibit A).

Upon presentation to him, DR. ABDELWAHAB AROUSSI executed on 4 April 2005 a Statement Under 37 CFR § 3.73(b) stating that GAIM Ltd is the Assignee of all right, title and interest in the present application (Exhibit B). DR. AROUSSI, on behalf of the Assignee, GAIM, Ltd., executed on 20 April 2005 a Power of Attorney (Exhibit C) appointing the members of the firm of the undersigned as attorneys of record for the present application. DR. AROUSSI, as one of the joint inventors executed on 20 April 2005 a Declaration (Exhibit D).

As set forth in further detail in the appended Declaration of Ms. Caroline Marshall, a package containing the present application, including the specification, claims and drawings and a Declaration along with a cover letter requesting execution and return of the Declaration were sent by Royal Mail recorded delivery to each of DR. FAYCAL BAHRI and DR. MOHAMED MENACER. "Royal Mail recorded delivery" requires the addressee to sign on delivery of the package so as to acknowledge receipt thereof. The delivery of the package to DR. BAHRI was accepted but the delivery to DR. MENACER was not accepted. Neither of DRS. BAHRI nor MENACER returned an executed Declaration nor did either one of them contact Ms. Marshall or

any one in her law firm.

This Petition is also filed in response to the Notification of Missing Requirements Under Section 35 US 371 in the United States Designated/Elected Office (DO/EO/US) (copy is enclosed, as required). As the application was filed in English, the requirement for a translation is moot. This Petition is filed in response to the requirement for an oath or declaration.

As it is evident that two of the three inventors, DRS. BAHRI and MENACER, have been provided with a copy of the complete application and have refused to execute and return the respective Declarations, pursuant to their obligations (see Exhibit A), it is respectfully requested that this Petition be granted.

A request for a three month extension of time to file this Petition is enclosed along with payment of the required fee.

The fee for this Petition is enclosed.

Respectfully submitted,

CAHILL, VON HELLENS & GLAZER P.L.C.
